Furniture

Stylish outdoor living

We specialize in the manufacturing of high quality wooden furniture and accessories. We are acknowledged as one of the leading manufacturers of wooden garden & patio furniture in Southern Africa.

Carefully researched and designed, the furniture is attractive and fashionable yet practical, comfortable and extremely durable.

All furniture is designed to take up minimal space whilst not in use. The saligna timber can be stained into teak, dark red brown or imbuia.

Dark Red Brown

Teak

Imbuia

Namib

Namib Deluxe

Furniture

Stylish outdoor living

All timber is sourced from sustainable managed plantations. The acrylic canvas is treated to be water, oil and dust repellent and is available in 14 different colours including striped canvas. The highest standard of craftsmanship and quality is maintained throughout production.

Karoo

(Wheels are optional)

Furniture

Stylish outdoor living

The stylish designs, durable materials and fine finish ensure that We remain the ultimate choice for superior patio or garden furniture.

We have a wide range of amazing products including tables of all sizes, director chairs, sunloungers, hammocks and karoo stools.

We reserve the right to alter or amend the descriptions and specifications given in this publication in the light of technical developments and availability of materials. Weights and dimensions are approximate.
